PART-II PSYCHOLOGY  
**EDUCATIONAL PSYCHOLOGY**

TIME : Two and half hours

Maximum : 60 Marks

**Answer any FIVE of the following.**

**5X4=20M**

1. Development of Attitudes in Adolescence
2. Methods of memorization
3. Learning and Maturation
4. Role of motivation in Learning
5. Emotional Development of childhood
6. Scope of Educational Psychology
7. Concept of Transfer of Learning
8. General principles of Development
9. Curves of Forgetting
10. Nature of Educational Psychology

**SECTION – B**

**Answer any FIVE (One is compulsory from each question).**

**5X8=40M**

11. a) Briefly explain any four methods used in Educational Psychology?  
(Or)  
b) Discuss the Importance of Educational Psychology?
12. a) Describe the physical, social and mental development of childhood?  
(Or)  
b) Adolescence is the period of “Stress and Strain” - Discuss.
13. a) What are the types of motivation?  
(Or)  
b) Explain the nature and process of Learning?
14. a) Mention the types of Transfer of Learning?  
(Or)  
b) Describe the factors that influencing transfer of learning?
15. a) What are the various types of Memory?  
(Or)  
b). Mention the kinds of Forgetting?

EXAMINATION AT THE END OF SEMESTER- V

PART-II PSYCHOLOGY

**ABNORMAL PSYCHOLOGY**

TIME : Two and half hours

Maximum : 60 Marks

**SECTION -A**

Answer any FIVE questions of the following.

5X4=20M

1. Symptoms of Fugue
2. Depersonalization Disorder
3. Coping Strategies
4. Define Abnormality
5. Hypochondriasis
6. Development of Psycho analysis
7. Chronic and abnormal pain
8. Features of Generalized anxiety disorder
9. Classification of mental disorders
10. Symptoms of OCD

**SECTION - B**

Answer ANY FIVE (One is compulsory from each question).

5X8=40M

11. a) Explain the three approaches to study of abnormal psychology?

(Or)

b) Describe the classical and medieval views on abnormal psychology?

12. a) What is stress? Explain the types of stress with examples?

(Or)

b) Explain about any six defense mechanisms with suitable examples?

13. a) Explain about post Traumatic Stress Disorder?

(Or)

b) What is phobia? Mention various types of phobias?

14. a) Write a detailed note on conversion disorder?

(Or)

b) Explain the types of pain disorder?

15. a) Mention the Nature and Symptoms of Dissociative disorders?

(Or)

b). Discuss about multiple personality disorder?

SEPTEMBER - 2020

EXAMINATION AT THE END OF SEMESTER- VI  
PART-II PSYCHOLOGY  
DEVELOPMENTAL PSYCHOLOGY

TIME : Two hours

Maximum : 60 Marks

Section – A

Answer any FOUR of the following questions

4x6 = 24 Marks

1. Principles of development.
2. Major adjustment of infancy.
3. Significant facts of development.
4. Development task in babyhood.
5. Development task in later childhood.
6. Characteristics of puberty.
7. Hazard of later childhood.
8. Development task in early adulthood.
9. Development task in adolescence.
10. Characteristics of early adulthood.

Section – B

Answer any THREE of the following questions

3x12 = 36 Marks

11. What is development and describe the principles of development?  
(OR)  
Explain various stages of development?
12. Explain major adjustment and hazards of infancy?  
(OR)  
What are the characteristics and developmental task in babyhood?
13. Explain characteristics, hazards and developmental task in early childhood?  
(OR)  
Explain emotional, social development and hazards of later childhood?
14. Explain the characteristics and development tasks of adolescence?  
(OR)  
Explain characteristics and hazards of puberty?
15. Explain social and personal hazards of early adulthood?  
(OR)  
Explain vocational and family adjustment in early adulthood?
