ORDER:

Rajiv Aarogyasri Scheme (RAS) is being implemented by Government from 01.04.2007 to financially assist 233 lakh poor families to avail medical treatment for identified diseases covering 938 In-patient (IP) therapies and 125 follow-up therapies vide G.O. first read above. Government have also decided to implement a similar cashless scheme (Employees Health Scheme) for Government pensioners and employees with coverage envisaged in APIMA rules, 1972 vide G.O. 2nd read above. Aarogyasri Healthcare Trust, after deliberations and in consultation with specialists, has identified additional IP therapies for inclusion in employees health scheme, in addition to Aarogyasri packages.

2. AP Speciality Hospitals Association (ASHA) and A P Private Hospitals & Nursing Homes Association (APNA) representing the private hospitals empanelled under Rajiv Aarogyasri Scheme, submitted representations to Government, seeking revision of the package rates for Rajiv Aarogyasri Scheme and also clarifications on certain other issues. In Memo. No. 21233 /M2/2012-3 HM&FW (M2) Dept dated 06-02-2013, Government have constituted a committee headed by Principal Finance Secretary and consisting of Principal Secretary to Government, Health Medical & Family Welfare Department, Commissioner, A.P.

Vaidhya Vidhana Parishad, Director of Medical Education, as members, Chief Executive Officer, Aarogyasri Health Care Trust as member-convenor, and two representatives each from ASHA and APNA as members for examining the grievances of ASHA and APNA. The Committee, after detailed discussions and deliberations submitted its recommendations to the Government.

3. Government issued orders in the G.O. 9th read above, by notifying the 'Input Code Book', 'Standard Schedule of Rates for 2012-13', and the 'Final Therapy Prices', for being adopted by the Aarogyasri Health Care Trust for determining the package rates for treatment of patients in empanelled hospitals, for Rajiv Aarogyasri Scheme.

4. In the letter 10th read above, the Chief Executive Officer, Aarogyasri Healthcare Trust has submitted the 'Final Therapy prices for Employees Health Scheme' which include additional therapies in addition to the existing Aarogyasri therapies, prepared basing on the 'Input Code Book' and 'Standard Scheduled of Rates (SSR 2012-13)' already notified in the G.O. 9th read above. These final therapy prices are inclusive of OP evaluation.

5. In the G.O., 9th read above, Standard Schedule of Rates for 2012-13 are approved according to which Rs.900/- per day is the rate prescribed for General Ward. Government have decided to consider Rs.1200/- per day for stay in semi-private ward and Rs.1500/- per day for private ward in the non-NABH accredited hospitals. In so far as the NABH accredited hospitals are concerned, the rates would be Rs.1500/- per day for semiprivate ward and Rs.2000/- per day for private ward. This would be an incentive to the NABH accredited hospitals for promoting quality of health care. The APIMA Rules adopt CGHS norms and the CGHS prescribes incentives to the NABH accredited hospitals for promoting quality of health care. Hence, NABH hospitals are considered for higher tariff so far as hospital stay is concerned. Moreover, the scheme will be reviewed after obtaining the actual data for six months, the rationalization of the above prices for semi-private ward and private wards would also be considered in the review. The Chief Executive Officer, Aarogyasri Health Care Trust will carefully monitor the implementation of the Scheme and after obtaining the actual data for six months, will place the same before the Steering Committee for considering rationalization of the above prices for semi-private ward and private wards.

6. Government after careful examination hereby issue the following orders:-

- a. List of therapies and the package prices are placed in the Annexure. These shall be adopted by Aarogyasri Health Care Trust for treatment of patients in empanelled hospitals, under the Employees Health Scheme.
- b. The Chief Executive Officer, Aarogyasri Healthcare Trust is authorized to include any additional inputs, which may be required during the course of implementation of the scheme, code them, finalise the prices and append the same in the Medical Input Code Book and Standard Schedule of Rates (SSR) subsequently.
- c. The following standard schedule of Rates are hereby approved
 - i. Stay in Semiprivate ward Rs.1,200/- per day in non-NABH accredited hospitals and Rs.1,500/- per day in NABH accredited hospitals.

Contd. P.3.,

- ii. Stay in Private ward Rs.1,500/- per day in non-NABH accredited hospitals and Rs.2,000/- per day in NABH accredited hospitals.

7. The Chief Executive Officer, Aarogyasri Health Care Trust, Hyderabad shall take further necessary action, accordingly in the matter.

8. This order issues with the concurrence of Finance (Expr.M&H.1) Department vide their U.O.No.360/A1/Expr.M&H.I/2013, Dated: 26/10/2013.

RULE 16- CONDITIONS FOR WITHDRAWAL

(1) Any sum withdrawn by a subscriber at any one time for one or more of the purposes specified in Rule 15 from the amount standing to his credit in the Fund shall not ordinarily exceed one-half of such amount or six months' pay, whichever is less. The sanctioning authority may, however, sanction the withdrawal of an amount in excess of this limit up to $\frac{3}{4}$ ths of the balance at his credit in the Fund having due regard to (i) the object for which the withdrawal is being made, (ii) the status of the subscriber, and (iii) the amount to his credit in the Fund ¹[in case of withdrawal under Clause (A) and up to 90% of balance at credit in cases of withdrawals under Clause (B) of sub-rule (1) of Rule 15].

Provided that in no case the maximum amount of withdrawal for purposes specified in Clause (B) of sub-rule (1) of Rule 15 shall exceed the maximum limit prescribed from time to time under Rules 2 (a) and 3 (b) of the Scheme of the Ministry of Works and Housing for the grant of advances for house-building purposes:

Provided further that in the case of a subscriber who has availed himself of an advance under the Scheme of the Ministry of Works and Housing for the grant of advances for house-building purposes, or has been allowed any assistance in this regard from any other Government source, the sum withdrawn under this sub-rule together with the amount of advance taken under the aforesaid Scheme or the assistance taken from any other Government source shall not exceed the maximum limit prescribed from time to time under Rules 2 (a) and 3 (b) of the aforesaid Scheme:

Every such payment shall be treated as a payment for a separate purpose for the purposes of sub-rule (1) of Rule 16.

NOTE 3.- In case the sanctioning authority is satisfied that the amount standing to the credit of a subscriber in the Fund is insufficient and he is unable to meet his requirements otherwise than by withdrawal, the amount already withdrawn by the subscriber from the Fund to finance any insurance policy or policies under rule 17, may be taken into account as an addition to the actual amount standing to his credit in the Fund for the purpose of the limit laid down in this sub-rule. - (ii) if the amount so determined does not exceed the amount already withdrawn from the Fund to finance any insurance policy or policies under rule 17, the amount so withdrawn may, irrespective of the limit specified in sub-rule (1), be treated as final withdrawal.

For the above purpose, the Accounts Officer shall reassign the policy or policies to the subscriber or to the subscriber and the joint assured, as the case may be, and make it over to the subscriber who will then be free to utilize the same for the purpose for which it has been released.

NOTE.- A subscriber who has taken loan from Government in lieu thereof mortgaged the house or house-site to the Government shall be required to furnish the declaration to the following effect, namely:-
