

SRR & CVR Government College (A), Vijayawada
Department of Mathematics

Best Practice

Department: Mathematics

Title of the Practise: Learning by Teaching

The content that required the initiation of the practise: Learning by teaching is one of the efficient methodology to students community. It helps the learners to acquire new skills and knowledge.

Objectives of the Practice:

Enhances the students to be creative, independent and form their own views

Encourage active engagement

Enable the students to show their knowledge

The Practice: Students play teacher role in the occasion of π -Day on 14.03.2022 and teaches to school students of T.M.R & C.M.C. Municipal High School, Vijayawada.

Obstacles: Time constrained and financial constrained are limiting factor.

Impact of the Practice:

Students get well experience of Teaching & Learning

Their minds fully loaded with new ideas when they interact with school students

Active and enthusiastic participation of students

Evidence of Practice:

To,

The Principal,
