## Department of Microbiology

### Activity Register 2022-2023

Date	22-10-2022
Conducted through (DRC/JKC/ELF/NCC/NSS/Departments etc.)	<b>Department of Microbiology</b>
Nature of Activity (Seminar/Workshop/Extn. Lecture etc.,)	<b>Awareness Program and Health Camp</b>
Title of the Activity	<b>Awareness program on Breast Cancer and Free Breast Cancer Screening Camp</b>
Name of the Department/Committee	<b>Department of Microbiology</b>
No. of students participated	120 Students ,Teaching and Non Teaching Staff
Brief Report on the activity	<p>The Department of Microbiology has Organized Awareness program on <b>Breast Cancer and Free Breast Cancer Screening Camp</b> on 22<sup>nd</sup> October 2022 in Association with <b>HCG Cancer Centre</b>, Machavaram Down, Gunadala, Vijayawada <b>on the occasion of Breast Cancer awareness Month "October"</b>. Dr P. Sarat Chandra, Surgical Oncologist, MBBS; MS. M Ch &amp; FMAS, HGC Cancer Centre, Machavaram Down, Vijayawada is the Chief Guest and Speaker of this program, Sir explained on Diagnosis techniques and treatment methods for breast cancer.</p> <p>The Objective of this programme is to raise awareness about the impact of <b>breast cancer</b> In Indian Women. "In India, breast cancer has the highest incidence. Its incidence is 13.5 per cent as against oral 10.3 per cent, cervix/uterus 9.4 per cent, and lung 5.5 per cent," A few years ago, cervix cancer had the highest incidence amongst Indian women. But since last few years, the cases of breast cancer are on top of the table. One out of eight Indians is likely to develop cancer in his/her lifetime. Unfortunately, in our country, still a majority of patients consult doctors at a late stage</p>

	<p>of the disease. Hence A robust awareness campaign and effective implementation of a cancer screening program are the need of the hour. <b>“Let’s unite to make the world aware to close the gap in cancer care”</b> .By providing public health education to improve awareness among women on signs and symptoms of breast cancer and to understand the importance of early detection and treatment. Sir noted that the survival rates of breast cancer in India are low because the detection takes place late. The only way to change these numbers is by increasing awareness. Breast cancer is a treatable disease and chances of survival are higher if its detected in time. The only way to do so is by being aware of how it can be detected and early diagnosis can be done. The simple way of Breast Cancer Prevention is by being able to do a Self – Breast Examination. Women Should be doing this on a regular basis after they turn 30. Sir said that every women have to take mammography after 40 years of age twice a year. A total of 34 staff members gave blood same for screening.</p>

# క్యాన్సర్ పరీక్షలు చేయించుకోవాలి

మధురానగర్(విజయవాడ సెంట్రల్):40 సంవత్సరాలు దాటిన ప్రతి మహిళ ఏడాదిలో రెండు సార్లు క్యాన్సర్ పరీక్ష చేయించుకోవాలని డాక్టర్ పి.శరత్ చంద్ర సూచించారు. మాచవరం ఎస్ఆర్ఆర్ అండ్ సీవీఆర్ ప్రభుత్వ డిగ్రీ కళాశాలలో శనివారం జాతీయ రొమ్ము క్యాన్సర్ అవగాహన మాసం పురస్కరించుకుని అవగాహన, క్యాన్సర్ వ్యాధి నిర్ధారణ శిబిరం నిర్వహించారు. కార్యక్రమంలో ఆయన పాల్గొని క్యాన్సర్ గురించి వివరించారు. ఆధునిక జీవన శైలివల్ల మహిళలలో రొమ్ము క్యాన్సర్ ఏటా పెరుగుతుందని తెలిపారు. బయాప్సీ, పీఈటీ స్కాన్ ద్వారా ఈ వ్యాధిని గుర్తించవచ్చని తెలిపారు. అనంతరం ఇంటి వద్ద రొమ్ము క్యాన్సర్ కు సంబంధించిన నిర్ధారణ పరీక్ష చేసుకునే విధానం వివరించారు. కళాశాల ప్రెన్సిపాల్ డాక్టర్ కె. భాగ్యలక్ష్మి మాట్లాడుతూ తమ కళాశాలలో ఉచిత వైద్య

## అవగాహన పోస్టర్లను ఆవిష్కరిస్తున్న దృశ్యం

శిబిరం ఏర్పాటు చేసిన నిర్వాహకులకు కృతజ్ఞతలు తెలిపారు. క్యాన్సర్ ను ఆరంభ దశలోనే గుర్తించి చికిత్స తీసుకోవటం వల్ల మంచి ఫలితాలు వస్తాయన్నారు. అనంతరం ఉచితంగా వైద్య పరీక్షలు నిర్వహించారు. 50 మంది రక్త నమూనాలను అధ్యాపకులు, విద్యార్థుల నుంచి స్క్రీనింగ్ కోసం సేకరించారు. కొలుత అవగాహన పోస్టర్లను ఆవిష్కరించారు. డాక్టర్ డి. జ్యోతి, డాక్టర్ శుభ, కె.అరుణ తదితరులు పాల్గొన్నారు.

## ACKNOWLEDGEMENTS

We express our deep sense of gratitude to Dr. K. Bhagya Lakshmi, Principal SRR & CVR Govt. Degree College (A), Vijayawada for her constant support and encouragement.

We wish to express our sincere thanks to Dr P. Sarat Chandra, Surgical Oncologist, MBBS; MS; M.Ch & FMAS, HCG Cancer Centre, Machavaram Down, Gunadala, Vijayawada.
