Best practices	The college adopted the 20 Best practices . They are:

S.No	Best Practices
1	Gorumudha (breakfast Facility) for those students who attend classes at 7 am
2	Affordable Training for Proficiency (Production and Selling of SRR & CVR Surf power by the department of Chemistry and Training in Employable Skills/Take away skills by other departments)
3	Energy conservation (water/power/fuel/wild life conservation) Solar power panels are installed during 2016-17. This step helps to reduce the electricity bills drastically. With rain harvest pits ground water level in the campus increased and college grand is covered with greenery.
4	Environment protection by arranging of Vermicompost units in the college premises
5	Awareness on Nutrition food by Aquaculture in the college premises
6	Extended facilities to differently abled students, Gym facility is made available to our students at a minimum price of Rs.100 per month and free for players.
7	Joy of sharing (blood donation/financial support to needy)
8	Four virtual class rooms are made available in the college campus. This facilitates to run four lectures at time in diffract subjects to different colleges. This facility is also very helpful to our B.Com, B.Sc students, Because these groups have six sections having more than three hundred students. One lecturer can cover one subject at a time for all sections.
9	Free wifi for students and staff in the college campus. This practice helps to brogue 24X7 internet facility for improvement of subject knowledge.
10	As part of eco friendly measures, Sanitary napkin destroyer, and Sanitary napkin vending machine were installed in girls' toilets. This is monitored by Women empowerment cell.
11	As part of eco friendly measures and environment protection, E-vast collection center is established in the college by Department of Physics and electronics. Recycling of collected E-waste is carried out by Karosambhave organization through Guide Foundation for Development (An NGO). This is done under the guidance of Central and State Government Pollution Control Broads.
12	Free Coaching for competitive exams
13	Industry-Institution Interaction (Internship programs/MoUs)
14	Pollution free campus (Recycling of paper/plastic)
15	Decentralization and Networking (functioning through committees )
16	Performance Appraisal (student feedback)

17	Guest Lectures/Field trips (departmental/institutional level)
18	Banking & Insurance initiative
19	Student quality circles (Advance learners help slow learners in their studies)
20	Placement cell/ambassadors (Campus Recruitment Drives)
